Rockford, IL - The Rockford Wildcats youth running group is accepting applications for their 2020 annual scholarship program for college bound high school students. Candidates for the two \$500 scholarships, one female and one male must be former Wildcat runners who have participated in track or cross-country at their high school. Applicants are also required to have achieved a minimum 3.0 Grade-Point Average and have a documented history of community service or volunteer work.

The Rockford Wildcats Coaches and Committee as well as the Rockford Road Runners are very excited to be able to continue this opportunity for the many children who have worked hard over the years in athletics and more importantly, in the classroom. Building on the support of their parents, we try to teach children at a very young age the value of not just sports but also an education. We hope this philosophy will successfully build upon the foundation we have worked to develop and serve them through all facets of their lives. Wildcat runners have a tremendous history of academic achievement and we would like to reward them for their hard work.

In addition to the detailed list of qualifications, interested students should submit a 500-word essay on how their Wildcat experiences have helped them personally. Applications should be mailed to: John Kunde, c/o Wildcat Scholarships, 2924 Vaughndale Dr., Machesney Park, IL 61115 by June 1, 2020. Scholarships will be announced July 1, 2020. **[See Scholarship Application at end.](#)**
